The increasing amount of credible and actionable information that has become available through public reporting efforts has helped spur improvements. While it is worth celebrating the improvements in patient safety and quality, such as reductions in hospital-acquired infections and early elective deliveries, it also is imperative that hospitals continue to strive for better performance.

Quality & Patient Safety | AHA

Cho Oyu National Park: The park is situated among rolling, vast green (in May, June and September) short-grass and boulder strewn valleys leading up to the basecamp. The environment is beautiful and stark, inhabited with wild birds and animals. Upon arriving in basecamp by vehicle, you trek towards the mountain, where the vegetation changes to become more alpine and rocky, with Cho Oyu and ...
