The Business Motivation Model

Business economics is a field in applied economics which uses economic theory and quantitative methods to analyze business enterprises and the factors contributing to the diversity of organizational structures and the relationships of firms with labour, capital and product markets. A professional focus of the journal Business Economics has been expressed as providing "practical information for ...

Visual Concepts Entertainment is an American video game developer based in Novato, California. Founded in May 1988, the company is best known for sport games in the 2K franchise. Visual Concepts was acquired by Sega in May 1999 and subsequently sold to Take-Two Interactive in January 2005. The acquisition of the company led Take-Two Interactive to open their 2K Games label, as well as its 2K ...
