4 Ways to Take Notes - wikiHow

- Taking notes quickly can be a challenge, especially when lots of detailed information is being rapidly presented during a meeting with multiple people. If you need to keep up with all this information, you may want to consider taking notes using the Cornell system. The Cornell system helps you organize your notes into two major columns using a standard 8 1/2 by 11 inch page ...

The Cornell note-taking system - lynda.com

Note-taking (sometimes written as notetaking or note taking) is the practice of recording information captured from another source. By taking notes, the writer records the essence of the information, freeing their mind from having to recall everything. Notes are commonly drawn from a transient source, such as an oral discussion at a meeting, or a lecture (notes of a meeting are usually called ...
