

**essentials of english grammar pdf**

Introduction. Speakers of American English generally use the present perfect tense (have/has + past participle) far less than speakers of British English. In spoken American English, it is very common to use the simple past tense as an alternative in situations where the present perfect would usually have been used in British English.

**Differences in American and British English grammar**

A selection of flashcards on topics including the alphabet, prepositions of place and time, to print and use as visual aids for grammar practice.
