A film, also called a movie, motion picture, moving picture, theatrical film, or photoplay, is a series of still images that, when shown on a screen, create the illusion of moving images.(See the glossary of motion picture terms.). This optical illusion causes the audience to perceive continuous motion between separate objects viewed in rapid succession.

### **Film - Wikipedia**

An underground film is a film that is out of the mainstream either in its style, genre, or financing.
