

four leaf clover pdf

What are Publications? A numbered UGA Extension publication has been peer reviewed, has enough substance to stand on its own, and is written to be used and understood by the public.

Publications | UGA Cooperative Extension

Overview. Some superstitions that are common in Japan have been imported from other cultures. The Japanese share superstitions with other Asian cultures, particularly the Chinese, with whom they share significant historical and cultural ties. The unluckiness of the number four is one such example, as the Japanese word for "four" sounds like the word for "death".
