S o c i a l A f f a i r s International Migration Report 2013

The International Organization for Migration (IOM) is an intergovernmental organization that provides services and advice concerning migration to governments and migrants, including internally displaced persons, refugees, and migrant workers. In September 2016, it became a related organization of the United Nations. It was initially established in 1951 as the Intergovernmental Committee for ...

International Organization for Migration - Wikipedia

The 2018 edition of International Migration Outlook analyses recent developments in migration movements and policies in OECD countries and some non member countries, and looks at the evolution of the labour market outcomes of immigrants in OECD countries, with a focus on the migrants' job quality and on the sections and occupations in which they are concentrated.

Context Migration trends in the Americas. Migration is not a new phenomenon, despite its seemingly sudden rise to global attention. The movement of people, whether within country borders or across international borders, has been occurring for centuries and has recently become a major feature of globalization.

WHO global code of practice EN - World Health Organization

Human migration is the movement by people from one place to another with the intentions of settling, permanently or temporarily in a new location. The movement is often over long distances and from one

country to another, but internal migration is also possible; indeed, this is the dominant form globally. People may migrate as individuals, in family units or in large groups.
