Lecture Notes in Microeconomic Theory - Ariel Rubinstein

Microeconomics In this course we deal only with microeconomics, a collection of models in which the primitives are details about the behavior of units called economic agents. Microeconomic models investigate assumptions about economic agents' activities and about interactions between these agents.

Lecture notes in microeconomic theory - PDF Free Download

All introductory textbooks on microeconomics cover most of the material found in these notes, and indeed very often more than that. Students are therefore encouraged to satisfy their curiosity by consulting alternative sources. Rubinstein's outstanding Lecture Notes in Microeconomics for instance are freely available online.
