A silent film is a film with no synchronized recorded sound (and in particular, no audible dialogue). In silent films for entertainment, the plot may be conveyed by the use of title cards, written indications of the plot and key dialogue lines. The idea of combining motion pictures with recorded sound is nearly as old as film itself, but because of the technical challenges involved, the ...

After merciless and unflinching toil, the dark portents of Silent Legions are nigh unto completion, as is its Kickstarter.. It is an absolute marketing scandal that I have not put this up earlier, but I plead general exhaustion and a nervelessness of my fingers, given the prep-work already invested in the game.
