COMMENTARY Carol Dweck Revisits the 'Growth Mindset' By Carol Dweck For many years, I secretly worked on my research. I say "secretly" because, once upon a time, researchers simply published their research in professional journals and there it stayed. However, my colleagues and I learned things we thought people needed to know. We

My solution to this situation has been to combine Growth Mindset concepts with my STEM projects. S.T.E.M. and Growth Mindset concepts complement and reinforce each other perfectly, so teaching them together is a perfect match! Growth mindset encourages exactly the kind of positive thinking that will help with STEM challenges.
