Language Teaching Methods - American English

PDF | In the field of English Language Teaching there have been arguments and counter arguments about the role of various methods, approaches and techniques in learning the language.

(PDF) The Best Method to Teach English Language

When teaching a foreign language a teacher must think about the specific qualities offered to students of a certain mother tongue. That means that the methodology of teaching English has to take into account the problems posed by the English language for the students who will learn it.

Concepts on The Methodology of Teaching English

English language teaching (ELT) policies and practices. PBA builds on the current work on language policy and practice, but instead of providing a set of standards, it identifies a set of principles that can help policymakers in diverse contexts develop locally appropriate language policies and practices.

A Principles-Based Approach for English Language Teaching
