United States â€“ The Bogeyman may be called "Boogerman" or "Boogermanster" in rural areas of the American South ("booger" being the American English equivalent of the British English "bogey"), and was most often used to keep young children from playing outside past dark, or wandering off in the forest.

Bogeyman - Wikipedia

The majority of the story occurs in the office of Dr. Harper, a psychiatrist, where a man named Lester Billings talks to the doctor about the "murders" of his three young children. Billings seems paranoid and possibly schizophrenic as he describes the circumstances of the death of his children.
