

the central business district pdf

A central business district (CBD) is the commercial and business center of a city. In larger cities, it is often synonymous with the city's "financial district". Geographically, it often coincides with the "city center" or "downtown", but the two concepts are separate: many cities have a central business district located away from its commercial or cultural city center or downtown.

Central business district - Wikipedia

The Sydney central business district (also Sydney CBD, and often referred to simply as "Town" or "the City") is the main commercial centre of Sydney, the state capital of New South Wales and the most populous city in Australia. It extends southwards for about 3 km (2 mi) from Sydney Cove, the point of first European settlement in which the Sydney region was initially established.
