The Sorcerer's Secrets is about success in practical magick; it is a book that aims at changing both the outer and inner worlds. Beyond a mere spell book or training course, The Sorcerer's Secrets is a field manual on successful sorcery written by a professional sorcerer. The first part of the book lays out the qualities, concepts, and exercises necessary to attempt practical magick.

There are many paths to using magic in the world of D&D. You can spend your life studying it, like a Wizard. You can be gifted the ability to use it through a lifetime of devotion to your God, like a Cleric (or skip the lifetime of devotion and just trade your soul or something, like a Warlock). Sorcerers, on the other hand, have always been just magical.
