

the emergency response communications pdf

The Communications plan – consisting of policies, procedures, and an incident command structure -- is the primary tool management has to ensure employees follow protocols during an emergency in contacting stakeholders, the media, and others. The Media Outreach plan is an essential part of the Communications plan (see below).

Emergency Preparedness requires a Communications Plan

The Emergency Response Guidebook published by the US Department of Transportation, developed jointly with Transport Canada and the Secretariat of Transport and Communications is used by firefighters, police, and other emergency response personnel who may be the first to arrive on the scene of a transportation incident regarding dangerous goods/hazardous materials.
