A fiddle is a bowed string musical instrument, most often a violin. It is a colloquial term for the violin, used by players in all genres including classical music . Although violins and fiddles are essentially synonymous, more primitively constructed and smaller violins are more likely to be called fiddles.

By Michael John Sanchez . Double-stops are when you play two notes at once on the fiddle, but you play both of the notes with a finger down. You can also call double-stops chords. As youâ€™ve found with the fiddle, it isnâ€™t always easy to put your finger down in the right spot, but now with double-stops, you have to do two down at the same time.
