Genius of the AND is a concept developed in the book Built to Last. Builders of greatness reject the "Tyranny of the OR" and embrace the "Genius of the AND." They embrace both extremes across a number of dimensions at the same timeâ€”purpose AND profit, continuity AND change, freedom AND responsibility, discipline AND creativity, humility AND will, empirical analysis AND decisive action, etc.

power, our true genius. We base a lot of our activities and actions on our identity â€“ the person we think we are. And Iâ€™m here to tell you that there is a massive difference between whom you think you are and who you really are. If you want to take the lid off of your results, then you need to know who you really are.
