Education Minnesota - Details for local unions

relationship between works councils and union branches above all in terms of its contribution to such control. Typically, central and external control seems to require a stable division of labor between external and internal industrial relations, and especially neutralization of the latter on subjects over which the former claim jurisdiction.

The Study of Works Councils: Concepts and Problems

labor councils, or (2) recognition by a state labor council, area labor council or central labor council that an AFL-CIO organizational presence is needed in a specific geographic area in its jurisdiction.
