C. Properties of Light What is light? This question has been debated for many centuries. The sun radiates light, electric lights brighten our darkness, and many other uses of light impact our lives daily. The answer, in short, is light is a special kind of electromagnetic energy. The speed of light, although quite fast, is not infinite.

After publishing a drawing that contains SHX fonts to PDF from AutoCAD Electrical, the text in the PDF is lighter and thinner than expected and has a faded appearance. Starting with AutoCAD Electrical 2015, publishing to PDF results in many SHX fonts being translated into TrueType (TTF) fonts. The purpose for the substitution is so that the resulting text is searchable in the PDFs.
