Legitimacy is "a value whereby something or someone is recognized and accepted as right and proper". In political science, legitimacy usually is understood as the popular acceptance and recognition by the public of the authority of a governing régime, whereby authority has political power through consent and mutual understandings, not coercion.

## **Legitimacy (political) - Wikipedia**

The name of your corporation must comply with the rules of your state's corporation division. You should contact your state's office for specific rules, but the following guidelines usually apply: The name cannot be the same as the name of another corporation on file with the corporations office.
