missions. He knew the odds well enough, having started back in 1943 when only one man in three had a chance of coming through a 25-mission tour. His faith in his own ability to master dangerous situations was a major factor in his persistence. He would quote a Latin motto: Nam et ipsa scientia potestas est - Knowledge itself is power.

Not long after that, the servant who had been forgiven found a man who owed him just a few dollars. He grabbed the man and demanded that he be paid the money. The man asked the servant for more time to pay him back. But the servant was mean and had the man thrown into prison! When the king found out what the servant had done, he was angry with him.
