The Boston Brahmin or Boston elite are members of Boston's traditional upper class. They form an integral part of the historic core of the East Coast establishment, along with other wealthy families of Philadelphia and New York City. They are often associated with the distinctive Boston Brahmin accent, Harvard University, Anglicanism and traditional Anglo-American customs and clothing.

Scientific racism (sometimes referred to as race biology, racial biology, or race realism) is the pseudoscientific belief that empirical evidence exists to support or justify racism (racial discrimination), racial inferiority, or racial superiority. Historically, scientific racist ideas received credence in the scientific community but are no longer considered scientific.
